EDUCATION

University of San Agustin
BS Computer Science
2023 - Present

Assumption School Passi City
Senior High School
2021 - 2023

Assumption School Passi City
High School
2017 - 2021

Our Lady of the Snows Institute
Elementary
2011 - 2017

SKILLS

- Python (Basic)
- HTML & CSS (Basic)
- Figma (UI/UX Design)
- Cisco Networking (Basic)
- Time Management
- Adaptability
- Teamwork & Communication
- Willingness to Learn

LANGUAGE

- English
- Tagalog
- Hiligaynon

SUMMARY

I am a Computer Science student currently studying at the University of San Agustin with basic knowledge in programming, web development, and an interest in UI/UX design. I am eager to further develop my technical skills and gain experience in building practical and innovative systems.

PROJECTS

(Academic Project)

CRAMS | Developer

- Developed a web-based church reservation and event management system to streamline scheduling and resource booking.
- Implemented centralized calendar management and automated notifications to reduce scheduling errors.
- Integrated role-based access control and conflict detection to improve overall operational efficiency.

CERTIFICATIONS

- **Learn Cloud Computing Fundamentals** – Simplilearn *(Nov 2026)*
- **Introduction to Modern AI** – Cisco Networking Academy *(Oct 2026)*
- **Networking Basics** – Cisco Networking Academy *(Sep 2026)*
- **Introduction to Cybersecurity** – Cisco Networking Academy *(Sep 2026)*
- **SQL Associate** – DataCamp *(Sep 2026)*
- **Python Essentials 2** – Cisco Networking Academy *(Aug 2026)*
- **Python Essentials 1** – Cisco Networking Academy *(Aug 2026)*

ACADEMIC ACHIEVEMENTS

Honors

- Consistent Honor Student (2nd Sem)
- Grade 12: With Honors
- Grade 1-6: With Honors

Awards

- Outstanding Achievement in Research
- Report and Research Writing
- Perfect Attendance Award
